Overview

Armenia is one of Europe's most mountainous countries and this walking holiday in Armenia promises a veritable kaleidoscope of culture, history and great trekking. We start our excellent itinerary with a visit to several medieval monasteries, hiking on rugged trails between these fine examples of Armenian architecture and stopping off at mountain villages and on the shore of the vast Lake Sevan. After this splendid cultural introduction, we cross the Geghama Mountains on a 4-day trek that sees us hiking through flower-spangled meadows to the volcanic crater lakes on the summit of Mount Azhdahak (3597m). Then, transferring to a high camp on Mount Aragats, the high point of the country, where the views extend to Mount Ararat in the nearby Turkey. We climb to the southern summit on a long days walk, before return to Yerevan for our last night. This holiday includes a good selection of walks and seeing some of the many Christian churches that the country is famous for.

LOOKING to Extend your HOLIDAY?

Fancy the ultimate Caucasus walking and cultural experience? For a complete experience, why not combine KE's Armenia's Trekking Highlights Trekking Holiday with Trekking in [Georgia and the High Caucasus](#).

Is this holiday for you?

Armenia is a relatively new trekking destination that also has a great deal of cultural interest. We spend several days travelling through the country and stopping off to make short hikes. This provides us with a bit of fitness training ahead of our 4-day Geghama Mountains hike which involves three 6-hour walking days and one shorter day up to a maximum elevation of 2500 metres and with 2 camps at around 3000 metres. This preparation means that we are in good condition and well acclimatised before setting off on the single toughest day of the trip, the ascent of the dormant volcano, Mount Aragats. This walking holiday is suitable for regular weekend hillwalkers.

Meal Plan

All breakfasts, 8 lunches and 7 dinners are included in the holiday price.

Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

When staying in hotels and guesthouses, breakfasts are taken at the overnight accommodation and typically consist of tea and coffee, cereals, bread, jam, cheese, cold meat and eggs (omelette). Dinner will be taken either at our accommodation or in a nearby restaurant. Local fare predominates, but you can also expect such staples as pizza and pasta dishes. Varied and filling breakfasts are provided by the cook when camping. Picnic lunches are provided on most days and these will usually be bread, cheese, tomatoes, cucumber, olives, ham or other dried meats, fruit and biscuits. Dinners at camp are traditional Armenian fare consisting of 2 or 3 courses.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

We will spend 4 nights at a comfortable hotel in Yerevan. There will also be a night at a guesthouse or hotel in Dzoraget and 1 night in a hotel at Sevan Lake.

There will be 4 nights camping, sleeping in 2 man tents. There will also be a communal mess tent, camp kitchen, toilet tent, chairs, camping tables etc. Whilst camping, you may be expected to assist with putting up and taking down your own tent as the crew set up the mess tent and prepare the rest of "base-camp".

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single hotel rooms and/or single tents are available for a supplementary cost. If you are planning to extend your holiday additional nights are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. There will also be one or more drivers, and when camping there will be a cook. A second guide will accompany groups of 10 persons and more.

Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

We estimate that £150 will cover your personal spending, including the 3 meals that you will pay for directly (allow a total of £20). This will also cover the paying of a reasonable tip to the local guide, trekking crew and other staff. Do not try to obtain any local currency (Armenian Dram) before you arrive in the country. You can withdraw cash from ATM's at Yerevan Airport and in Yerevan itself, using a credit card or a debit card.

Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We advise you to tip as a group. We recommend about £30-40 per person.

Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft duffle bag and a daypack. During the Geghama Mountains trek your main baggage will be transported in a 4WD support vehicle, there is a finite amount of space. Please keep the weight of your main luggage to no more than 15kgs / 33 lbs. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice for each country visited before travel.

Visa Armenia

UK passport holders do not require a visa for short stays. Other nationals should see Ministry of Foreign Affairs of the Republic of Armenia.

Health & Vaccinations

VACCINATIONS

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The unit of currency in Armenia is the Armenian Dram.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on a trekking or climbing trip getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. We would suggest that you adopt a weekly exercise regime leading up to your trip. Running, cycling and swimming are good for developing better stamina. Before departure, we suggest that you try to fit in a number of long walks in hilly country.

Climate

The height of the summer is perfect for a trekking holiday in Armenia. We run our trips in July and August when we can expect the daytime temperatures in Yerevan to be around 25-30°C, dropping at night to 15°C / 59°F. At our highest camps, we can expect daytime temperatures to be no higher than 15°C / 59°F (although it may well feel hotter than this) and nighttime temperatures will fall to 5°C / 41°F. At this time of year, we will be unlucky to experience significant amounts of rain.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
