# Introduction

This classic journey takes you overland on a journey of over 2,500km through some of Botswana, Namibia, and Zimbabwe's wildest landscapes. We'll head right through the heart of the Kavango Zambezi (KAZA) Transfrontier Conservation Area – a remarkable multi-country effort to weave together a network of connected reserves allowing free movement along natural migration routes, particularly for elephants. Along the way, you will stay in lodges that are not just comfortable, but truly beautiful, providing the perfect base for an unforgettable safari adventure.

From the wild dogs and rhinos, great dusty savannahs and rocky outcrops of Hwange and Matopos in Zimbabwe, to the water borne oases of the Okavango, Caprivi, and Chobe, this trip is as magnificent as it is varied. You'll stay in luxury lodges and the occasional, exceptionally placed safari tent, surrounded by nature but with the added creature comforts of our finest non-participation safari, leaving more time for relaxing, enjoying the lodge facilities and perhaps a sundowner at the end of a day of game drives.

If you would like further information on when to go to Southern Africa on safari and which trip suits you the best, please refer to our detailed guide: Which safari is right for you?

## Is this holiday for you?

Everything in Africa is on a big scale, and to cover the ground necessary, your journey across Southern Africa includes several long drives accompanied by Africa's spectacular scenery. Such drives, including your game drives, can often be on dirt tracks, graded roads and also tar highways. The driving times are indicated on each day. These times do not include stops along the way. We ensure that regular comfort breaks are taken, and stops try to be scheduled to visit interesting towns or sights.

The accommodation will range from permanent tented camps, to beautiful lodges, all with en-suite facilities. There may be a bar/restaurant available and some lodges may have a swimming pool. Included meals are all lodge provided. When in a lodge with a restaurant, or in a town with restaurant options, on some occasions we will have own expense evening meals.

Unlike our other safaris, this trip is a non participation safari, and as such you will not be required to erect tents, prepare food or clean dishes. This is still an adventure tour though, so please expect to get involved. Where there are porters, they'll help you, otherwise you'll need to carry your own bag. If you have a particular interest, please let your safari leader know, and he/she will endeavour to make your journey more rewarding.

This journey is suitable for the adventurous traveller looking to experience some of Africa's most incredible safari experiences with a hint of serviced luxury.

## Joining Arrangements & Transfers

The group will meet at the group hotel in Victoria Falls.

On arrival, transfers are provided from Victoria Falls Airport to the group hotel. At 14:00 on Day 1 you will meet your guide for an introduction and briefing.

The holiday ends in Botswana but includes a transfer to the airport at Victoria Falls in Zimbabwe (please purchase a double entry visa to Zimbabwe at the start of your trip) or Kasane in Botswana.

## Meal Plan

14 breakfasts, 5 lunches and 8 dinners are included.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as **Water-to-Go**, which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

All included meals are provided by the lodges at which we are staying. Due to travel arrangements or game viewing activities, three of the lunches will be packed picnic lunches. Where meals are not included there will be an opportunity to buy a meal on route, but these are mostly travel days so a quick stop is required.

## Accommodation

The accommodation throughout this classic journey is of 3+ star style and are chosen not only for their service and comfort level but also for their wonderful locations and local wildlife viewing opportunities. All rooms have private en-suite facilities.

The Moremi tented bush camp on a private concession bordering Moremi GR is a particular highlight, placed on a bend of the river on a high bank, affording great views of this key source of water for many animals at the edge of the reserve. The tents themselves are luxurious, each including twin beds and an attached en-suite.

## Group Leader & Support Staff

Group leaders are the key to any successful safari. On this adventure safari, you will travel with two qualified and experienced, registered field guides (FGASA). Two guides as crew, not a guide and a driver, adds up to an informative and interesting small group holiday. Our guides have a passion for Africa, her people and wildlife, and they love nothing more than sharing their knowledge with you.

## Spending Money

We estimate that a total of around £300-375 per person (or equivalent in euros/dollars) should be allowed for personal spending. This amount should be sufficient to cover non-included meals and miscellaneous expenses, including tips to local staff. If you are intending to buy expensive souvenirs, considerable quantities of soft drinks / beer or undertake additional activities or excursions, you should budget accordingly (credit cards can be useful in this respect). You can choose to take your money in pounds sterling, dollars or euros. There will be the opportunity to change money into local currency on arrival at the airport (which we advise you to do) and your local leader will advise further places to change money into local currencies en-route and at borders. Additionally, you will be able to obtain local currency from bank ATMs in many of the towns that we will visit.

Many small traders will accept US$, Euro or GBP, but usually prefer local currency. Your notes should be clean and undamaged. And please avoid USD$100 and old issue ‘small head’ US$ notes as they might not be accepted.

## Guidance on Tipping

Your tour leader also works extremely hard to ensure that your holiday runs smoothly and that you are happy. We suggest that a tip of £2-5 per client per day for your tour leader is reasonable. When it comes to tipping the guides that we sometimes use for various activities (e.g. game walks, polers in the Okavango Delta etc) we suggest that a tip of £1-3 per client per ½ day activity, or the local currency equivalent, is acceptable. As in all cases with tipping, the final decision of the amount tipped is up to the individual. It is up to you to decide if you thought the service was poor, or exceptional, and the amount tipped should reflect that. The amounts quoted above are guidelines for you to get an idea of what to tip.

## Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Your baggage will travel in the gear compartment of the truck with the group, and there is a finite amount of space. Please keep the weight of your main luggage to 12kg. You should bring a soft bag as these are more suitable to pack in the vehicle.

## Currency

The unit of currency in Botswana is the Pula.

The unit of currency in Zimbabwe is the Zimbabwe Gold (ZiG). There is currently a shortage of available cash at the banks and ATM's in Zimbabwe. US Dollars are still widely used, so exchange your currency in advance, or use credit cards where possible, as these are widely accepted also.

The unit of currency in Namibia is the Namibian Dollar. The Namibian and the the Southern African Rand have the same value, and the Rand  is accepted everywhere in Namibia.

## Climate

Botswana & Zimbabwe: This Central region of Southern Africa is subtropical being generally warm and mild to humid. October and November are hot, day and night. November to April is the hottest time of the year with chances of showers to heavy rains later in the season. May to September is cool and dry.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's **'Travel Aware'** campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. All other nationalities should check their government websites for relevant information.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
