Introduction

This overland adventure safari encompasses some of Africa's most unique and diverse game reserves and national parks over more than 2800km. Our first stop is the Khama Rhino Sanctuary on the Botswana border. We then head to the wetlands of the Okavango Delta, where we are gently poled along the water systems in a traditional mokoro (a dug-out canoe). We can see hippo, elephant, giraffe and even lion here in the delta on our walks and canoe journeys, before a sundowner at our wilderness camp. Moving on from the delta we head to the Moremi Game Reserve and then continue along the dirt road in our 4WD to travel through the incredible Savuti Game Reserve. With an abundance of wildlife, we spend each day searching for the big five (buffalo, leopard, lion, elephant and rhino). Savuti is truly a magical place and camping here enables you to really feel the heart of this country and the wildlife. Our last wildlife stop on this safari is Chobe National Park where we are out of the vehicle and cruising in boats hoping to see some of the large elephant population the park is famed for. Further possible sightings include the rare African Wild Dog and many hippo. The grand finale of this overland safari holiday is crossing into Zimbabwe to the vast and thundering Victoria Falls. This is a very special itinerary and your memories of the wildlife and remote campsites here in Botswana will last a lifetime.

If camping isn't your thing, try our Best of Botswana Lodge Safari trip. The two trips follow the same route save for the final few days before Victoria Falls. This camping trip visits the fabulous Savuti Game Reserve, whilst on the lodge trip you travel to the endless and magnificent Makgadikgadi Pans.

If you would like further information on when to go to Southern Africa on safari and which trip suits you the best please refer to our detailed guide: Which safari is right for you?

Is this holiday for you?

These trips cover thousands of kilometres on bumpy and sometimes unmade roads, in functional vehicles making them a physically demanding but rewarding experience. They start very early, often at or before dawn, and finish late, and require all members of the party to assist in food preparation, and loading vehicles. On these camping trips you will also be required to help with pitching and dismantling tents. Helping each other with these straightforward tasks is a great part of the adventure, whilst also helping to break ice and galvanise the group.

There are several walks in this itinerary. These may be on paved surfaces, uneven sandy dunes or rocky terrain and are always accompanied by your experienced guide. Each walk is paced with time for your guide to interpret the environment around you. On walks within game reserves it is vital to keep up with

the group line and move together in case of any animal encounters.

Joining Arrangements & Transfers

The group will meet at the group hotel near Johannesburg Airport.

On arrival airport transfers are provided to the group hotel.

On the last day of the Land Only itinerary airport transfers are not included. We can provide private transfers to Victoria Falls Airport or Livingstone Airport at an additional cost. Taxis are also available and are often cheaper.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

13 breakfasts, 11 lunches and 8 dinners are included. Non-included meals are in the towns of Johannesburg, Maun, Kasane and Livingstone where we try out local restaurants. We recommend you budget £10 - 15 for each non-included meals.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a Water-To-Go bottle) to treat your water. We do not encourage the purchasing of single use plastic bottles.

The majority of the meals are provided. Breakfast will be cereals and yoghurt, with coffee, tea, toast and the occasional cooked breakfast. Lunch will typically be picnic style - cold meats, cheese, salads, bread, rolls and fruit. Dinner will be potjies (traditional stews), braais (barbecue), stir fries, pasta dishes, curries etc. Very often cooking will be on an open fire. Fresh produce will be used wherever possible and fruit squash, tea and coffee will be served with breakfast and dinner. Many of the meals are prepared by the guides and it is good group etiquette to help with preparation and washing up on these days and this is usually done on rotation. Some meals are taken at the accommodation or in local restaurants. Special dietary requirements (vegetarian or allergies) can usually be catered for, but it is essential that this information is received on booking. There is one cool box available for the group to put your own drinks in. Stops at supermarkets are regular to pick up supplies such as alcohol and soft drinks.

Accommodation

In Johannesburg you will stay in comfortable tourist standard hotels in twin rooms with en-suite facilities. For the last 2 nights in Livingstone we stay in simple lodge accommodation.

Camping - for 6 nights on safari we stay at designated campsites, in or bordering national parks and towns. Campsite facilities are generally very good but in places can be basic. There are hot and cold showers, restaurants and washing facilities available at most of the campsites. A few of the campsites have swimming pools as well. We supply all the camping equipment with the exception of your sleeping bag and pillow. The dome tents we use are 2.2 x 2.2 x 1.8 meters and putting them up or down takes only 5 minutes. Tents have built-in insect nets. We supply mattresses, which are about 5 cm thick, warm and comfortable. The camp chairs have a backrest.

Wild camping - for 7 nights while in the Okavango Delta, Moremi, and Savuti, Chobe we camp wild. Wild camps have no facilities; we take our own water and all equipment. Wild camping is very enjoyable and please remember that we leave no trace of our stay and take all rubbish away with us. A toilet tent and a simple bucket bush shower will be provided.

You will need to put your tent up, and help pack up the truck in the mornings. Most of the meals are prepared by the guides and it is good group etiquette to help with preparation and washing up on these days and this is usually done on rotation - it's all part of the adventure and when everyone puts in a little effort the trip runs smoothly.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single tents and rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group accommodation are available on request.

All accommodation is subject to change without prior warning.

SAFARI TRUCKS (Jo'burg to Maun)
Years of safari experience into the design of the trucks. The trucks are built to comply with the latest South African transport and safety regulations. Your comfort is catered for with individual seats (with safety belts), ample legroom and large vertical sliding windows for unobstructed viewing and photography.

There are roof hatches for excellent "open" views and an integral cab and passenger compartment so contact with the driver is easy. Each truck also has large packing compartments, a built in kitchen, freezer, drinking water tank, interior lights and a gas stove (to minimise use of wood and destruction of forest areas). There is also a pullout set of steps into the passenger compartment, making access for clients easier. There is usually a bank of plug sockets in the vehicles. These plugs are the South African 3 round pin or 2 round pin with a hexagonal base. We also use minibuses for some small group safaris. All of our vehicles are bought new and serviced by Mercedes and Toyota agents, thus ensuring trouble free touring with backup support in practically every town in Southern Africa.

Where road conditions allow, such as South Africa and parts of Botswana we may also use minibuses. On 5% of tours we may use minibuses with 12 seats and air conditioning (with trailer for equipment and baggage). The safaris often have several long days of travel providing for a beautiful journey on the way to exciting and varied destinations.

LAND CRUISERS (Okavango and Moremi)

The 4 wheel drive vehicles are based in Maun. For the national parks of Botswana we use these custom built 4WDs, with individual "bucket" seats, with trailers for the equipment. (We also use supply vehicles for Botswana camping groups of more than 9 clients.). These land cruisers also have a bank of plug sockets or USB ports for charging. Game viewing from an "open" vehicle is the best way to go for Botswana - small groups in Land Rovers and Land Cruisers have the best wildlife sightings!

These custom built game viewing vehicles are the first of their kind in Botswana. Each new vehicle has a built in "roll cage" that conforms to the latest safety standards of South Africa, and each individual bucket seat has a lap belt. The vehicles are constructed by a registered coach builder and ensure structural integrity of the passenger cabin in the unlikely event of a roll.

Group Leader & Support Staff

Group leaders are the key to any successful safari. On this adventure safari, you will travel with two qualified and experienced, registered field guides (FGASA). Two guides as crew, not a guide and a driver, adds up to an informative and interesting small group holiday. Our guides have a passion for Africa, her people and wildlife, and they love nothing more than sharing their knowledge with you.

Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

Spending Money

We estimate that a total of around £400-475 per person (or equivalent in euros/dollars) should be allowed for personal spending. This amount should be sufficient to cover non-included meals and miscellaneous expenses, including tips to local staff. If you are intending to buy expensive souvenirs, considerable quantities of soft drinks / beer or undertake additional activities or excursions, you should budget accordingly (credit cards can be useful in this respect). You can choose to take your money in pounds sterling, dollars or euros. There will be the opportunity to change money into local currency on arrival at the airport (which we advise you to do) and your local leader will advise further places to change money en-route and at borders. Additionally, you will be able to get currency from bank ATMs in many of the towns that we will visit.

Many small traders will accept US$, Euro or GBP. Your notes should be clean and undamaged. And please avoid USD$100 and old issue ‘small head’ US$ notes as they might not be accepted.

There are many optional activities which you can take part in on this holiday. Some of these are: Half-day rafting or half-day canoeing the Zambezi. All optional activities should be booked on arrival with your leader and paid for locally. All prices are approximate in USD$ and are subject to change without notice. All optional activities taken outside the KE holiday are at your own risk.

On day 1, on arrival at the hotel in Johannesburg you can book a half-day SOWETO tour for $75 per person, or an afternoon tour to Maropeng Cradle of Humankind and Sterkfontien Caves is also bookable for $100 per person (min 2 people). Please check that Sterkfontien Caves are open, as they can close due to high water levels. Both of these tours should be booked on arrival (before 12midday) with our local agent and are payable locally in cash.

Guidance on Tipping

Your tour leader also works extremely hard to ensure that your holiday runs smoothly and that you are happy. We suggest that a tip of £2-5 per client per day for your tour leader is reasonable. When it comes to tipping the guides that we sometimes use for various activities (e.g. game walks, polers in the Okavango Delta etc) we suggest that a tip of £1-3 per client per ½ day activity, or the local currency equivalent, is acceptable. As in all cases with tipping, the final decision of the amount tipped is up to the individual. It is up to you to decide if you thought the service was poor, or exceptional, and the amount tipped should reflect that. The amounts quoted above are guidelines for you to get an idea of what to tip.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Your baggage will travel in the gear compartment of the truck with the group, and there is a finite amount of space. Please keep the weight of your main luggage to 12kg. You should bring a soft bag as these are more suitable to pack in the vehicle. For the 2 nights wild camping in the Okavango Delta you will take only what you need for these 2 nights and your main bag with remain in Maun.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the ‘Dates and Prices’ table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Group Members

We sell this holiday in conjunction with our local operator in Southern Africa. This enables us to gather together sufficient numbers of like-minded adventurers to get the holiday up and running quickly. For this holiday the minimum age is 12 yrs, however it is unusual to have people under 16yrs.

South Africa Indemnity Form

As a member of the South African Tourism Service Association, our ground agent in South Africa may require you to complete an indemnity form at the start of your holiday, which you will need your insurance details for. As a client of KE Adventure Travel, your rights under the Package Travel and Linked Travel Arrangement Regulations (2018) are unaffected and KE Adventure Travel will remain liable for the actions of our suppliers.

General Information

Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required**,** and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates *(see Health & Vaccinations below),* **and visas for your holiday.** Please ensure that you check the FCDO for the latest advice for **each country visited** before travel.

Visa Zambia

British passport holders do not need a visa in advance and can obtain a visa on arrival. The Government of Zambia recently announced the removal of all visa fees for British passport holders. However implementation of the policy has not yet been confirmed and British nationals may still be charged $25 on arrival.

Other nationals should check details online to see if they need an e-visa.

Important Note for Victoria Falls: Please check your itinerary and your arrival/departure flights. If your accommodation and flights are from a different side of the falls you may need both a Zambian and a Zimbabwe visa. The town of Victoria Falls is in Zimbabwe, and the town of Livingstone is in Zambia.

Additionally If you visit the falls (on the border) and wish to cross the bridge to the other side you will require a visa for both countries.

A KAZA UNIVISA for Zimbabwe and Zambia is cheaper than purchasing the two visas for Zambia and Zimbabwe separately. The visa is valid for 30 days as long as you remain within Zimbabwe and Zambia. It is also valid for day trips to Botswana crossing over the Kazangula borders. It will not be valid if you overnight in Botswana.

It's available at the international airports in Lusaka and Livingstone and at the land borders at Livingstone (Zimbabwe border) and Kazungula (Botswana border). You can also apply online. It costs US$50 for single entry, or US$75 for double entry. Both are valid for 30 days from date of purchase.

Please note: The Government of Zambia recently announced the removal of all visa fees for British passport holders. However implementation of the policy has not yet been confirmed and British nationals may still be charged $25 on arrival. This may affect your decision to purchase a Kaza Univisa.

Visa Botswana

UK nationals do not normally need a visa to enter Botswana for stays of up to 90 days.

Travelling with children under 18yrs - Botswana

Parents travelling with children under 18 years will be asked to show the child's full unabridged birth certificate. If the child is travelling with one parent, with another adult or unaccompanied, the parent or parents who aren't present will need to provide an affidavit giving their consent for the child to travel. Please note that they are very strict and they do not accept photocopies of birth certificates or short versions. This is also applicable if you are transiting through Botswana. For further details please see FCO

website https://www.gov.uk/foreign-travel-advice/botswana/entry-requirements

Visa South Africa

UK and USA passport holders do not require a visa for short stays. You must have 2 blank pages in your passport.

Rules on **travelling with children under 18 years** have been relaxed. Visa exempt children entering South Africa only need passports, and not birth certificates as previously required. This applies if the child is travelling with both parents, one parent or an adult who is not a biological parent, and school groups. There are some different requirements for unaccompanied children, and children who do not have UK passports or visa exempt passports. For full details please see the FCDO website.

Visa Zimbabwe

A visa is required. This is obtained on arrival and is $55 single entry and $70 for double. Payment must be in cash and you should take small denomination notes for this.

Important Note: Please check your itinerary and your arrival/departure flights. If your accommodation and flights are from a different side of the falls you may need both a Zambian and a Zimbabwe visa. The town of Victoria Falls is in Zimbabwe, and the town of Livingstone is in Zambia.

Additionally If you visit the falls (on the border) and wish to cross the bridge to the other side you will require a visa for both countries.
