Overview

With its jaw-dropping alpine scenery, dramatic mountains, tasty cuisine, undiscovered trails and larger than life welcome, Bulgaria is a unique destination for a snow-shoeing adventure in the heart of the Balkans. This fantastic holiday takes you through a Narnia landscape as we follow hidden trails through secret forests and up to stunning mountain views. We start in the eclectic capital of Sofia before heading to Bulgaria's first national park of Vitosha. Here the fun starts as we learn how to snow shoe or brush up techniques. During the holiday we explore this incredible area and experience a secret side to Bulgaria that sees very few tourists.

Next we head to the area of Mount Maliovitsa and follow trails which take us up onto the slopes of this beautiful peak. We'll enjoy a beautiful walk to the Lake of Fear with breath-taking views towards Mount Musala - the highest peak in Bulgaria. A grand finale is snow-shoeing to the Rila Lakes refuge in the heart of the Rila Mountains where we'll explore the magical seven lakes and visit the highest waterfall in the Rila Mountains. If you're looking for a very special snowshoeing destination which is excellent value for money and away from the Alpine crowds, then KE's Bulgarian Snowshoe Adventure is the perfect choice.

Is this holiday for you?

This holiday is perfectly designed to appeal to regular and active walkers who would like to learn some snowshoe techniques as well as those with previous snow-shoeing experience. During the holiday we'll cover a variety of ground from relatively easy snow covered trails at the beginning to steeper slopes in the mountains. The holiday is suitable for snow shoe novices and also active walkers with previous snowshoeing experience. As with a grade 5 holiday a higher level of fitness is required but previous snow shoeing experience is not necessary. (Please note: During the week the exact itinerary will be flexible and the guide will use their expertise and local knowledge to determine the best routes to take advantage of snow conditions and the abilities of the group.) If snow conditions do not permit snow-shoeing on any of the routes, the group will follow an alternative winter hiking itinerary.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the hotel in Sofia.

A single timed transfer from/to Sofia Airport to the first nights hotel is provided.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy. If this is not practical, we can provide private transfers at an additional cost. Taxis are also available.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included in the holiday price.

Food & Water

In Bulgaria no-one goes hungry and with a rich variety of Balkan dishes available, there is plenty of choice for all tastes. Breakfasts are generally continental in style with cereal, yoghurt, jams, honey, bread, cheese, ham and occasional eggs, cucumber, tomato, tea and coffee. Lunches are generally picnic in style that we'll make up during breakfast and carry with us - ham, cheese or tuna sandwiches with fruit and a cereal bar. Dinner is a social event and in the evening we'll enjoy a three course meal which generally starts with a mixed salad followed by pork, chicken, beef with potatoes and vegetables cooked Bulgarian style. Desserts may be ice cream, baklava or local cakes. Vegetarian and special diets can be catered for but please be aware that choices are usually limited as Bulgarians love their meat and fish dishes.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

We will spend 1 night in a centrally located hotel in Sofia, 3 nights in a traditional guesthouse in a village near Maliovitsa and 3 nights in a guesthouse in Panichisthte.

Whilst in Maliovitsa, you will find that the Bulgarian infrastructure is simpler than in some other ski resorts. However, the surrounding scenery and mountain location more than makes up for the modest facilities.

Accommodation is twin share. If you are travelling by yourself, you will be paired with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning to extend your holiday, additional nights at the group hotel in Sofia are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.

Altitude

The altitudes on this holiday are not extreme and the maximum altitude attained is no more than the equivalent of a pressurised cabin on an international flight. You may 'feel' the altitude the first time you trek above 2000 metres but all that is required is a slower pace to compensate. You should pay particular attention to your hydration levels while trekking above 2000 metres.

Spending Money

Approximately £75 - £100 (or equivalent in euros or dollars) should be allowed for miscellaneous expenses. We recommend that you carry your travel money in the form of currency or travel with an ATM card as you'll exchange the majority of this on the day of your arrival in Bulgaria. If you are intending to buy expensive souvenirs, you should budget accordingly. There is an ATM machine at Sofia Airport and in the centre of Sofia.

Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We advise you to tip as a group.

Baggage Allowance

Baggage will be transported between overnight stops by the support vehicle. There is no weight restriction other than that imposed by your international carrier but we do ask you to limit your luggage to one piece plus your day pack.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice for each country visited before travel.

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The unit of currency in Bulgaria is the Lev.

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

You should be aerobically fit and comfortable with walking 4 to 6 hours for consecutive days. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardiovascular fitness and stamina.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
