Overview

This walking holiday to Sicily and the Aeolian Islands, including hikes on the volcanoes of Etna and Stromboli, the archipelago's most fiery giants, offers the perfect mix of walking, island hopping and cultural highlights.

The verdant, volcanic, Aeolian Islands, named after the Greek god and 'keeper of the winds', Aeolus, lie just off the northern coast of Sicily. Using the hydrofoil to hop between islands, we explore the islands of Stromboli, Lipari, Salina and Vulcano. Pretty Lipari, with its pastel-coloured seafront and famed for its beautiful sunsets, will be our base for this part of our island-hopping adventure.

From Lipari, the 'Gateway to the Aeolian Islands', we'll hike up Vulcano, explore the green jewel of Salina, which boasts a number of vineyards that produce sweet Malvasia dessert wine, and walk on the shoulders of fiery Stromboli.

Our holiday ends with two nights on the stunning Italian island of Sicily, home to beautiful architecture, breath-taking scenery, delicious wines, mouth-watering cuisine, fascinating culture, charming villages, plus a labyrinth of wonderful trails to explore. We'll discover the Baroque masterpiece of Catania and the famed hill-top gem of Taormina, before we end our adventure with a walk on the slopes mighty Mt Etna.

Is this holiday for you?

This is an active island-hopping holiday with a reasonable amount of walking on most days. However there is also plenty of time for sightseeing and relaxing on each day. Walks are generally between 3 and 5 hours and footpaths are good. Some parts of the trail takes you over volcanic scree, however this shouldn't prove a problem to active walkers and is expected on a volcanic island. On each walk you'll only need to carry a small day-sack. During the week we travel by hydrofoil (fast ferry) which keeps the holiday at a price which is excellent value. Sicily and the Aeolian Islands are perfect for regular walkers looking for a destination with good food, coastal views and beautiful scenery.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the group hotel in Catania.

Due to the proximity of the airport, frequency of flights and excellent public transport links, we've not included airport transfers on Days 1 and 8. This gives you more flexibility on your arrival and departure day, especially if you're extending your time in Catania.

Taxis are available at the airport and it takes 15mins to reach the centre of Catania. Alternatively, AMT Alibus Service runs a bus service every 20mins between the airport and the centre (0500 to midnight). The departure and arrival point is at a bus station just outside the terminal.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts, 1 lunch and 1 dinner are included.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Part of the experience of any visit to Sicily and Italy is the opportunity to taste its wonderful cuisine. Part of the experience of any visit to Sicily and Italy is the opportunity to taste its wonderful cuisine. Breakfasts will be continental in style - bread, pastries or cakes, yoghurt, jam and honey served with tea or coffee.

For lunch, there will be time each day to visit local supermarkets and buy packed lunch items for the day or on some days you might want to take lunch in a restaurant.

Dinners can be taken local restaurants, which will give you a chance to try traditional Sicilian food and get a real taste of Italy. Alongside food, Sicilian wine is excellent and an important part of any meal - lunch and dinner! Italians love their late afternoon aperitifs from chilled prosecco served pre-dinner to campari, vermouth and cinzano all served over ice.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

We will spend 3 nights in a hotel in Catania and 4 nights in a hotel on the island of Lipari. Both of these hotels are small family run establishments and offer a warm welcome. The hotels are well situated, the hotel in Catania is located in the historic centre of the city. . The rooms are all spacious and all are ensuite.

The accommodation is twin sharing. If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost.

If you are planning on extending your holiday, additional nights at the group hotel in Catania are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. There will be an additional specialist volcano guide on Stromboli and on Mount Etna.

Spending Money

Approximately €250 - 300 should be allowed for meals not included and soft drinks (including bottled water) and 10 Euro entrance for the Greek amphitheatre in Taormina. We recommend that you carry your travel money in the form of cash (euros) and travel with a credit or debit card that be used in local ATMs. If you are intending to buy expensive souvenirs, you should budget accordingly. Credit cards can be used in restaurants and shops in Catania.

Guidance on Tipping

Tips do not form part of the wages of local staff but they are very much appreciated. It is important to remember that tipping is voluntary and should be dependent on good service. It is best if the tip is given at the end of the trip by the group as a whole. We recommend that each group member contributes around €25 - 30 and distributed between the leader and any support staff. It is a good idea to carry some small change for other tips such as in restaurants etc.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
