# Overview

Discover the magnificent Alto Douro on this one week self-guided walking holiday. The beauty of this rural landscape, punctuated with sleepy villages, is that no matter what the season, the landscape provides the entertainment. Whether it is the colourful blossom and wild flowers which paint the hillside, or watching in fascination as the locals come together for harvesting, you will be sure to fall in love with the Portuguese rural life. A place where life slows down and you can appreciate the simple things; good food, good wine and good company all within a beautiful UNESCO landscape.

Starting your trip with a private transfer to Porto you can enjoy a night in this culturally rich port before slowing things down on a scenic rail journey to Peso da Regua, the gateway to the Alto Douro. Your hikes will take you through orchards and vineyards where you can sample the produce and, to sleepy villages where your welcoming guesthouses await with a friendly face and a pool inviting you for cooling dip. Hiking up to 16km a day at your own pace, you will have plenty of time to pause and appreciate the flora and fauna. Ending your trip in Pinhao, on the northern banks of the Douro, a private transfer will take you back to Porto. You may opt to extend your stay to enjoy the contrasting hustle and bustle, after your week of tranquillity among the vines and pastoral scenes of the Douro valley.

## Is this holiday for you?

If you love to get off the beaten track, enjoy great wines and great food, then you are going to fall in love with the Douro. Away from the crowds where life slows down and you can really get to embrace the culture and traditions of rural Portugal. Watch locals busy away in the orchards and vineyards and enjoy the warm hospitality of family run boutique guesthouses and inns. Walking up to 16km a day through tranquil landscapes and enveloped in the birdsong and constant shush of crickets to reach villages and your accommodations. We have included a wine tasting so you can appreciate the produce that has made the region famous. The perfect unwind! This trip is suitable for groups of 2 or more travellers.

## Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

## Joining Arrangements & Transfers

The trip starts at Porto Airport. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. Your driver will be waiting for you at Porto Airport arrivals hall to take you to your hotel in Porto. Porto Airport is well-connected with many departures from UK regional airports.

The trip ends in Pinhao, where you will be collected by your driver for your private transfer to Porto Airport. Alternatively, if you have booked additional nights in Porto at the end of your trip, you will be taken to your hotel.

If you have booked additional nights in Porto, at the end of your stay you can make your own way to Porto Airport using the Metro for approximately €3 per person. The journey takes around 30 minutes, with trains running approximately every 20 minutes. For more information please visit [www.metroporto.pt](http://www.metroporto.pt).

We can also arrange additional nights' accommodation before or after your self-guided trip, or you may even wish to make this trip part of a bigger trip of your own, or pair it with one of our other holidays - just ask our Sales Team for details.

## Meal Plan

This trip is on a bed and breakfast basis to allow you the opportunity to enjoy dining in one of the local restaurants. We have also included 5 packed lunches to allow you to enjoy lunch with a view while out on your walks. Typically each packed lunch will include 1 or 2 sandwiches, 2 pieces of fruit, and 1 slice of cake or a snack, according to items available.

## Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

The Portuguese are passionate about food. It is a reason for celebration, time with family and socialising with friends, and as is typical in much of Southern Europe, evening meals are enjoyed late into the evenings with a glass of wine. Portugal's national obsession is Bacalhau, a dried salted cod which will feature heavily on menus alongside other delicious seafood. After all Portugal has almost 1800km of coastline. But it is not all just seafood. Porto and the Douro valley are known for their good wines and simple, but delicious, local cuisine. Local specialities include the caldo verde, or 'green soup', a cabbage soup containing chorizo. There are also a variety of sausages and slow cooked casseroles commonly offered- perfect after a day in the vineyards.

Whilst in Porto, you must be sure to sample 'francesinha'. Calorie heavy, but extremely delicious, this glorified sandwich is made from bread, wet-cured ham, sausage, steak and egg, all drowning in melted cheese and served with a spicy tomato and beer sauce! Note that vegetarian options, though available in northern Portugal, will be less varied. When it comes to drink, wine lovers will be in their element. Port wines are of course a must when visiting this region. Ports can be ruby, tawny, white and rosé and during the holiday there will be plenty of opportunity to sample the different varieties of this rich and delicious fortified wine.

## Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

## Accommodation

On this trip you will stay in a selection of comfortable guesthouses and 3\* or 4\* hotels each offering warm hospitality and beautiful locations. Each accommodation brings its own charm whether it is a small family-run guesthouse offering beautiful gardens to relax or a hotel with a swimming pool for cooling down after a day on your feet.

All our accommodations are booked on bed and breakfast basis in a twin or double room and have Wi-Fi available. Many accommodations have restaurants, perfect for those days when you just want to relax in your hotel after a busy day exploring. Please note that in some rural locations the local restaurants are closed on Sundays and dinner in your hotel may be the only option on this day.

It is possible to arrange additional nights' accommodation if you wish to extend your time in Porto and enjoy all the buzz of this fabulous maritime city. Please speak to our Sales Team for more information.

## **Baggage Allowance**

Your main luggage will be transferred between each of your hotels while you are out on your walk. We ask that you please ensure your main luggage is limited to one piece under 20kg per person and that your luggage is ready for collection in the morning on the day of each hotel change. Any additional pieces will incur an additional cost. You will also need a daypack to carry your daily essentials with you whilst you are out walking.

## Health & Vaccinations

### Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

### GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

### Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

### Currency

The currency for part or all of this holiday is the Euro.

### Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking approximately 15 km per day with up to 700m of ascent for consecutive days.

### Climate

The climate in this part of Portugal is mild. Whilst winter months tend to be damp, the summers are warm with a cooling breeze coming in off the Atlantic, making it very pleasant for walking. From April onwards the green vines begin to transform the hillsides of the Douro. The hottest months are July and August, with temperatures reaching up to 25 - 30 degrees centigrade. In mid to late September the grape harvest is well underway, and by early October the hills start to take on a warm autumnal hue.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
