Overview

Positioned in the Indian Ocean east of Madagascar, the volcanic island of La Réunion offers a wealth of stunning hiking trails in a variety of breathtaking tropical scenery. As a French overseas department, the island offers familiar elements of France seamlessly incorporated with the melting pot of Creole culture created at this crossroads of African, Asian and European civilisations.

On this self-guided drive and hike holiday, you will arrange your own hire car to explore all the very best highlights of Réunion at the freedom of your own pace. Our unique itinerary completes a tour of the island that ticks off the three cirques of Salazie, Mafate and Cilaos; the incredible lunar landscapes of the Piton de la Fournaise volcano; the Wild South Coast; and ends with some well-deserved R&R at the coastal idyll at Saint-Gilles les Bains. This is an enticing adventure playground of an island, full of surprises and just waiting for you to discover.

Is this holiday for you?

This holiday has been specially designed to give you the flexibility to make the most of your holiday time and uncover all that this stunning island has to offer. You will need to arrange a rental car independently; there are numerous car hire agencies located at Roland Garros Airport.

You will walk between 4-5 hours a day on average, surrounded by endlessly dramatic and varied scenery on sometimes rugged and exciting trails. The nature of the terrain shaped by volcanic forces does mean that routes often have sharp ascents and descents on trails that can be slippery or muddy, where having a good pair of hiking boots and trekking poles would be advisable. There is little technical ground but a good level of fitness and surefootedness will make this holiday even more enjoyable for regular weekend walkers.

The many excellent hiking trails on Réunion are well marked and signed in the European GR convention. On Piton de la Fournaise the routes are waymarked by white paint, but the unique microclimatic conditions here can bring low visibility so having some map reading and navigational skills are essential.

There will be a two day, one night hike to a remote hamlet located in the Cirque of Mafate, inaccessible by car, so you will need to carry some overnight items with you. Accommodation for one night here is in simple, off-grid hikers' gites with shared bathroom facilities. For the rest of the trip, you will stay in a carefully chosen range of comfortable hotels and guesthouses.

For safety considerations on the more remote mountain trails, this trip is suitable for groups of 2 or more travellers.

Car Hire

This holiday has been designed to give you the ultimate flexibility and independence with arranging your own hire car.

There are numerous car hire agencies on Réunion with offices available at Roland Garros Airport. Arranging your car independently, you can choose the type of vehicle you prefer, the number of drivers required, and the level of excess protection desired. Car hire brokers such as [Zest Car Rental](#) are a good resource for comparing rental deals. We highly recommend that you pre-book your hire car so that it is ready to collect on arrival.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The nearest airport for this trip is Roland Garros Airport with many connections from regional UK airports via Paris or Mauritius. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. There are numerous car rental agencies available at Roland Garros Airport – pre-booking your hire car is highly recommended.

Meal Plan

This trip is arranged on a half board basis for 9 nights, while the 2 nights at the coastal resort in Saint-Gilles is arranged on a bed & breakfast basis to allow you the most flexibility to choose from the many restaurants and cafes available here.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Réunion has a melting pot of cultures and nationalities, which led to an intriguing fusion of cuisines from India, China, France, Madagascar and the African mainland. Eating is one of the favourite activities of Réunionese and dinners are hearty, typically consisting of three course meals.

The regional specialty is 'cari', a truly Creole dish in which many ingredients are simmered together. The cari is made using Indian spices and local ingredients like meat, poultry, fish or seafood and contains garlic, onion, plenty of tomatoes, turmeric, cloves and ginger. Caris are best eaten with boiled rice. The favourite special dishes of the islanders are carri bichique, carri tangué and wasp larvae served in a dish called rougail.

Traditional Indian, Chinese and French food is available at the many restaurants and cafes in Réunion that also serve good local and French wines. However, essentially being a part of France, much of the food will be familiar French fare including baguette at breakfast with butter and jam, and sandwiches for lunch. While at the coast, you will be sure to find the freshest of the day's catch - a real treat for the seafood lovers.

You will find the local beer 'Bourbon' ubiquitously available, which is affectionately called 'Dodo'. Be sure to sample the 'rhum arrangé maison' (rum infused with different flavours). Each establishment has their own special mix of flavours.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

On this holiday you will stay in a range of hotels, guesthouses and gites, with each location carefully selected to enable you to experience the astounding variety of landscapes on Réunion Island. Utilising small, family-run accommodations, you will be treated to a warm Creole welcome and your stay will directly benefit small businesses and the local economy.

Many hotels have lush gardens and outdoor spaces, perfect for sitting out with a rum aperitif. Some even have pools for cooling off at the end of your day of exploration.

When you stay in the remote car-free hamlet in the cirque of Mafate, only accessible on foot (or helicopter!), your accommodation will be simple family-run gites; these traditional huts are surrounded by incredible mountain views and impeccable night skies. Here you will stay in small dorm rooms for between 2 to 6 people, generally with shared bathroom facilities. Sheets and bedding are provided at the gites. Hot water is supplied by solar water heaters, therefore is limited and cannot always be guaranteed. You can usually find charging points for personal electrical devices in communal areas. At these remote off-grid locations, you can expect to disconnect from the modern trappings of WiFi and drink in the tranquillity of your surroundings. Single rooms are not available at the mountain gites.

In the popular seaside resort village of Saint-Gilles les Bains, you will stay in one of the modern, well-equipped hotels close to the beaches of this stretch of coast.

Having a supply of cash would be a good idea especially for more remote areas. Credit cards are useful and are accepted at larger towns and establishments.

It is possible to arrange additional nights accommodation in Saint-Denis or Saint-Gilles before or after your trip on Réunion if you wish for a little more time on this magnificent island. Please speak with one of our sales team for further information.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline. Please also consider the luggage capacity of the type of vehicle you choose to hire.

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice for each country visited before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience. You should be aerobically fit and comfortable with walking 4-5 hours in mountainous terrain for consecutive days. Hill walking, with a good amount of ascent and descent, is the best training. Running, cycling and swimming are also good for developing cardio vascular fitness and stamina.

Climate

Réunion Island has a humid tropical climate with two distinct seasons. The austral winter season from May to October is generally cooler and drier than other times of the year, and is the best season for trekking in the mountains. From November to April it is hotter, more humid and wetter. January and February is the season for tropical cyclones so we do not offer our self-guided itinerary over these months. Coastal temperatures can vary from mid-20C in the winter months to over 30C in the austral summer months. In the mountains, conditions will be significantly cooler and night times can feel cold.

By its nature, mountainous terrains do generate their own microclimates, with sudden tropical downpours and storms occurring at any time of the year. The conditions also change very rapidly on Piton de la Fournaise, as clouds can come in obscuring visibility in the caldera. You should always be prepared for all eventualities.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
