Introduction

A classic Southern African overland journey which starts in Rainbow Nation of South Africa and finishes at the 'Smoke that thunders', Victoria Falls, covering over 5500km of incredible landscapes teeming with some of the most impressive flora and fauna on the planet. Arriving into the cosmopolitan city of Cape Town, the familiar skyline of Table Mountain frames this beautiful city. Travelling in a custom built overland vehicle, we drive to Cape Town's Hout Bay, famed for it's beauty and crayfish industry. Heading northwards, up the Atlantic Coast, we enter the raw and rugged terrain of the Cederberg Mountains before arriving at the dramatic land of contrasts, Namibia. From the sharp-ridged dunes of the Namib Desert to the spectacular wildlife, including the black rhino and elephants of Etosha National Park and from the seaside town of Swakopmund to the charms of Windhoek, Namibia provides one of the grandest and diverse of African experiences.

Whilst Namibia may sound like a hard act to follow, Botswana can satisfy even the most experienced safari enthusiast. Exploring the waterways of the Okavango Delta by a traditional mokoro canoe, allows us to get up close to the hippos and birdlife of this iconic waterland. A true land of wilderness, Botswana's Chobe National Park provides the stage for our final safari experience. Rich grasslands sustain a high concentration of wildlife as we seek out the hunter and hunted on land and by boat. Finishing in Zimbabwe at the thunderous Victoria Falls we complete this astounding African overland adventure.

If a lodge safari doesn't sound like your perfect trip, try our sister 21 day camping itinerary: Cape Town to Victoria Falls Safari - Camping

We also offer the first section of this itinerary only (from Cape Town to Windhoek, 14 days): Highlights of Namibia

If you would like further information on when to go to Southern Africa on safari and which trip suits you the best please refer to our detailed guide Which safari is right for you?

Is this holiday for you?

These trips cover thousands of kilometres on bumpy and sometimes unmade roads, in functional vehicles making them a physically demanding but rewarding experience. They start very early, often at or before dawn, and finish late, and require all members of the party to assist in food preparation and loading vehicles. Helping each other with these straightforward tasks is a great part of the adventure, whilst also helping to break ice and galvanise the group.

There are several walks in this itinerary. These may be on paved surfaces, uneven sandy dunes or rocky terrain and are always accompanied by your experienced guide. Each walk is paced with time for your guide to interpret the environment around you. On walks within game reserves it is vital to keep up with the group line and move together in case of any animal encounters.

Joining Arrangements & Transfers

The group will meet at the group hotel in Cape Town.

On arrival transfers are provided on arrival from Cape Town Airport to the group hotel.

The holidays ends in Victoria Falls. On departure transfers are not included, but possible to either Victoria Falls Airport or Livingstone Airport.

We can provide private transfers at an additional cost. Taxis are also available and are often cheaper.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

21 breakfasts, 17 lunches and 12 dinners are included in the price of your holiday. Non-included meals are in Cape Town, Swakopmund, Windhoek, Maun, Nata and Chobe where we try out the lodge or a local restaurant. We recommend you budget £10-15 for each of these meals.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as **Water-to-Go**, which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

The majority of the meals are provided. Breakfast will be cereals and yoghurt, with coffee, tea, toast and the occasional cooked breakfast. Lunch will typically be picnic style - cold meats, cheese, salads, bread, rolls and fruit. Dinner will be potjies (traditional stews), braais (barbecue), stir fries, pasta dishes, curries etc. Very often cooking will be on an open fire. Fresh produce will be used wherever possible and fruit squash, tea and coffee will be served with breakfast and dinner. Many of the meals are prepared by the guides and it is good group etiquette to help with preparation and washing up on these days and this is usually done on rotation. Some meals are taken at the accommodation or in local restaurants. Special dietary requirements (vegetarian or allergies) can usually be catered for, but it is essential that this information is received on booking. There is one cool box available for the group to put your own drinks in. Stops at supermarkets are regular to pick up supplies such as alcohol and soft drinks.

Accommodation

This holiday has 21 nights staying at variety of different guesthouses, lodges, chalets, tented lodges, tented/fixed camps and cabins. Often they have an African style to them with colourful traditional blankets, ornaments and smiling friendly staff. The rooms are twin/double and mainly with en suite facilities. Some of the guesthouses and lodges have a bar and a swimming pool.

Cabins / chalets are used in remote areas or national parks. These are simple structures with basic rooms and shared ablutions.

When at a tented lodge you will stay in a classic canvas safari tent with twin beds, en suite facilities. It is built on a permanent base (concrete or wood platform) and might have a thatch roof. There is usually a main lodge area with a bar, and possibly a swimming pool and small shop. A fixed camp is a similar arrangement, but it's more likely to have a canvas roof on the tent and less likely to have a bar or swimming pool.

When at the cabins, chalets, tented lodges and fixed camps there is a shared kitchen and dining area which will be used by the group and the guides during meal times.

All accommodation is subject to change without prior warning.

If you are travelling by yourself, you will be paired up with another single client of the same sex. A limited number of single rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

SAFARI TRUCKS
Years of safari experience into the design of the trucks. The trucks are built to comply with the latest South African transport and safety regulations. Your comfort is catered for with individual seats (with safety belts), ample legroom and large vertical sliding windows for unobstructed viewing and photography.

There are roof hatches for excellent "open" views and an integral cab and passenger compartment so contact with the driver is easy. Each truck also has large packing compartments, a built in kitchen, freezer, drinking water tank, interior lights and a gas stove (to minimise use of wood and destruction of forest areas). There is also a pullout set of steps into the passenger compartment, making access for clients easier. There is usually a bank of plug sockets in the vehicles. These plugs are the South African 3 round pin or 2 round pin with a hexagonal base. We also use minibuses for some small group safaris. All of our vehicles are bought new and serviced by Mercedes and Toyota agents, thus ensuring trouble free touring with backup support in practically every town in Southern Africa.

Where road conditions allow, such as South Africa, Namibia and parts of Botswana we may also use minibuses. On 5% of tours we may use minibuses with 12 seats and air conditioning (with trailer for equipment and baggage). The safaris often have several long days of travel providing for a beautiful journey on the way to exciting and varied destinations.

In the Okavango Delta we use 4WD vehicles.

Group Leader & Support Staff

Group leaders are the key to any successful safari. On this adventure safari, you will travel with two qualified and experienced, registered field guides (FGASA). Two guides as crew, not a guide and a driver, adds up to an informative and interesting small group holiday. Our guides have a passion for Africa, her people and wildlife, and they love nothing more than sharing their knowledge with you.

Altitude

This holiday does not involve any significant ascent to altitude and we would not expect any altitude issues with this trip.

Spending Money

We estimate that a total of around £400-500 per person (or equivalent in euros/dollars) should be allowed for personal spending. This amount should be sufficient to cover non-included meals and miscellaneous expenses, including tips to local staff. If you are intending to buy expensive souvenirs, considerable quantities of soft drinks / beer or undertake additional activities or excursions, you should budget accordingly (credit cards can be useful in this respect). There will be the opportunity to change money into local currency on arrival at the airport (which we advise you to do) and your local leader will advise further places to change money en-route and at borders. Additionally, you will be able to get currency from bank ATMs in many of the towns that we will visit.

Many small traders will accept US$, Euro or GBP. Your notes should be clean and undamaged. And please avoid USD$100 and old issue ‘small head’ US$ notes as they might not be accepted.

Guidance on Tipping

Your tour leader also works extremely hard to ensure that your holiday runs smoothly and that you are happy. We suggest that a tip of £2-5 per client per day for your tour leader is reasonable. When it comes to tipping the guides that we sometimes use for various activities (e.g. game walks, polers in the Okavango Delta etc) we suggest that a tip of £1-3 per client per ½ day activity, or the local currency equivalent, is acceptable. As in all cases with tipping, the final decision of the amount tipped is up to the individual. It is up to you to decide if you thought the service was poor, or exceptional, and the amount tipped should reflect that. The amounts quoted above are guidelines for you to get an idea of what to tip.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Your baggage will travel in the gear compartment of the truck with the group, and there is a finite amount of space. Please keep the weight of your main luggage to 12kg. You should bring a soft bag as these are more suitable to pack in the vehicle.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the ‘Dates and Prices’ table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

Group Members

We sell this holiday in conjunction with our local operator in Southern Africa. This enables us to gather together sufficient numbers of like-minded adventurers to get the holiday up and running quickly. For this holiday the minimum age is 12 yrs, however it is unusual to have people under 16yrs.

South Africa Indemnity Form

As a member of the South African Tourism Service Association, our ground agent in South Africa may require you to complete an indemnity form at the start of your holiday, which you will need your insurance details for. As a client of KE Adventure Travel, your rights under the Package Travel and Linked Travel Arrangement Regulations (2018) are unaffected and KE Adventure Travel will remain liable for the actions of our suppliers.

A KAZA UNIVISA for Zimbabwe and Zambia is cheaper than purchasing the two visas for Zambia and Zimbabwe separately. The visa is valid for 30 days as long as you remain within Zimbabwe and Zambia. It is also valid for day trips to Botswana crossing over the Kazangula borders. It will not be valid if you overnight in Botswana.

It's available at the international airports in Lusaka and Livingstone and at the land borders at Livingstone (Zimbabwe border) and Kazungula (Botswana border). You can also apply online. It costs US$50 for single entry, or US$75 for double entry. Both are valid for 30 days from date of purchase.
